

To Whom It May Concern,

*Due to a cyberattack detected on **January 12, 2026**, within the information systems of our group company, **Erkul Kozmetik San. ve Tic. A.Ş.**, it has been assessed that there may be a risk of unauthorized access to certain personal data related to our company within the scope of specific intra-group financial and reporting records.*

Our company operates continuous backup processes (including cold storage); therefore, our current findings suggest that any potential data loss may be limited to a specific timeframe. However, as a precautionary measure, we are providing this notification while the investigation into intra-group data flows and records is being finalized.

*During this period, we recommend that you **update your passwords** and remain vigilant against **suspicious emails, messages, or phone calls**. The developments are being monitored in accordance with relevant legislation, and further announcements will be made if necessary.*

*For your questions and requests, you may contact us via the email address: **verisorumlusu@ertecosmetics.com**.*

*Additionally, should you encounter any requests outside of our routine operations or receive any suspicious transaction requests, we kindly ask you to contact our relevant department at **+90 212 875 81 82**.*

Sincerely,

Erte Kozmetik San. ve Tic. A.Ş.
