

## **Data Protection Notification**

Dear Sir/Madam,

Due to a cyber incident detected on 12.01.2026 within the information systems of Erkul Kozmetik San. ve Tic. A.Ş., one of our group companies, it has been assessed that there may be a risk of unauthorized access to certain personal data related to our company, within the scope of specific financial reporting records used internally within the group.

In accordance with the principle of business continuity, backup processes (including cold backups) are actively operated within our systems. Based on our current assessments, any potential data loss appears to be limited to a restricted time period. However, as the review of intra-group data flows and records has not yet been fully completed, this notification is being made as a precautionary measure.

During this period, we recommend that you update your passwords and remain vigilant against suspicious emails, messages, or phone calls. Developments are being monitored in compliance with applicable legislation, and further notifications will be made if deemed necessary.

For any questions or requests, you may contact us at [verisorumlus@ertecosmetics.com](mailto:verisorumlus@ertecosmetics.com).

In addition, should you encounter any requests outside routine operations or receive any suspicious transaction requests, we kindly ask that you contact us immediately through the relevant department at +90 212 875 81 82.

Sincerely,  
Erte Kozmetik San. ve Tic. A.Ş.
